Three-Day Artificial Insemination Course

Three-day course will teach technique of artificially inseminating cattle. Also, there will be a discussion of: Anatomy and Physiology, semen Handling, Heat Detection and Sire Selection, as well as the actual practice of inseminating cattle.

DATE/LOCATION:

Oct 16/5 p.m.: Wilkes Cooperative Extension Office, 201 Curtis Bridge Rd., Wilkesboro, NC 28697

October 17-18/9 a.m. – 5 p.m.: Wilkes Livestock Exchange, 106 Armory Rd., N. Wilkesboro, NC 28659

COST: Registration Fee is $400 and you will receive a discount on your first semen purchase. You are automatically registered for the course when your application and check are received. Complete and sign the application (available at Extension Office) and mail with your check to: Select Sire Power, P. O. Box 370, Rocky Mount, VA 24151, prior to deadline. Please make check out to Select Sire Power.

DEADLINE: Class size is limited to the first 15 applications. This allows us time to plan for everyone to have his/her own cattle to practice inseminating. Applications and money MUST BE RECEIVED IN THE OFFICE ON OR BEFORE: October 6, 2014.

PLEASE ADHERE TO THE DEADLINE. ONCE IT HAS PASSED, IT WILL BE DIFFICULT TO ENROLL STUDENT IN THE COURSE.

If you have any questions, please contact John Cothren at 336.957.1213, Clell Seitz at 828.612.7226 or Steve Furrow at 540.520.4804.

You are responsible for meals and lodging each day. You need to bring a pencil, boots and coveralls-PLAN ON GETTING DIRTY.
